ARMY

The Exchange Club of Mattoon is again this year presenting its **Annual Student Scholarships** to current graduates of Mattoon Senior High School. Since its inception the Club has presented over 50 scholarships to Mattoon seniors. These scholarships are funded by the Exchange Club's Annual Golf Outing. This year the Golf outing will for the first time be held at Meadowview Golf Course on Saturday May 23rd. The Club has annually presented either four or five of these \$1,000 scholarships.

The Club also will be presenting its Annual Youth of the Year Award to a current graduate. This Award is presented to a student who is not only a good student but one who is also involved in school activities as well as community activities. This is part of the Exchange Club's emphasis on youth community 'voluntarism'. The Award this year has been increased to \$500 and the winner goes on to the Exchange Club District where they are eligible for a \$1,000 Award.

As part of the Club's recognition of students it will also be presenting its Annual ACE Award that is presented to a student who will graduate despite having to overcome severe personal difficulties. This like the Youth of the Year Award is \$500 with an opportunity to win the District Award of \$1,000.

Students can currently pick up applications for these Awards at the High School's Councillors office.

The Exchange Club meets every Wednesday morning at the American Legion at 7AM. Guests are welcome to come and join in the meetings and have breakfast with the members. For more information about the Exchange Club of Mattoon please contact President Connie Jones at Starbucks645@gmail.com, President-Elect Dick McDaniels at Dick_McDaniel@yahoo.com or go on line at: <http://www.mattoonexchange.org/>.
